## REPORT OF THE PRESIDENT

---

AUGUST 2, 1928.

*Report of the President to the Stockholders of the Atlantic and North Carolina Railroad Company.*

GENTLEMEN :

I herewith submit my Annual Report as President of the Atlantic and North Carolina Railroad Company for the fiscal year ending June 30, 1928.

The building at Beaufort belonging to your Company is now rented by Mr. Matthews and the Government, the Government occupying the second story for a Custom House at a rental of \$210 per year. Mr. Matthews rents the first floor for restaurant purposes for \$627 per year, or \$52.25 per month. Your building is in good repair, excepting the plumbing, which is old and very much worn. The City of Beaufort has notified Mr. Matthews that same must be changed or repaired, and he in turn is requesting your Company to either change or repair the plumbing satisfactory to the city authorities. My attention has just been called to this, and I recommend to the incoming Board of Directors that they take some action relative to same.

At your last Annual Meeting I was appointed a committee of one to sell the old postoffice fixtures which Mr. Cutler, one of your Directors, had moved out and stored so as to rent the building to Mr. Matthews. I regret very much to inform you that the building in which it was stored was burned. There was no insurance on these fixtures. While they were not burned, they were badly damaged both by fire and water. What remains I have stored in another place, and it is now costing \$5 per month storage charges. So far it has been impossible to sell same. I therefore recommend that you take some action in regard to these and save further expense in connection with it.

I have attended all the regular meetings. The December and June meetings declared a semiannual dividend of  $1\frac{3}{4}$  per cent paid out of the semiannual rental of \$31,451 paid us by the Norfolk & Southern Railroad for the rent of our property.

I wish to call your attention to the report of the committee which was appointed at the last Annual Meeting to investigate and report in regard to sale of the Atlantic Hotel. The report was presented at the June meeting and the recommendation that "We do not sell" was unanimously adopted, and the said report was ordered spread upon the Minutes.

I have been advised by Mr. Hawkins, Secretary of the Norfolk & Southern Railroad, that all taxes for the year 1927 have been paid on your property, and he also advises that fire insurance in force

July 1, 1928, is ample to protect your Company from loss. -I refer you to Mr. Hawkins' report.

I wish to call your attention to the report of the Expert, Finance Committee and Treasurer, in which you will note a decrease in expenditures.

I wish to express to Messrs. L. H. Cutler, C. B. Park and J. Y. Joyner, committee on the sale of hotel property, also to the Finance Committee, the thanks and appreciation of the Company for their very efficient services.

I assure you it is a very great pleasure to bring to your attention the courtesies shown me by the Directors and Officers of your Company, with whom I have worked, and to express my appreciation of same.

Respectfully submitted,

CHAS. S. WALLACE,  
*President, A. & N. C. Railroad.*

#### Analysis Above Cash Balance

On deposit according to bank statements submitted to the Finance Committee by the Secretary-Treasurer:

	<hr/>

In the list of organization expenses is Voucher No. 737 to W. R. Allen, State Proxy, for \$18.00, covering traveling expenses \$4.00, hotel \$4.00, and per diem \$10. We find no authority in the By-Laws for payment of per diem and expenses of State Proxy.

The dividend paid checks and certain of the organization expense checks having apparently been lost in the mails, the following statement signed jointly by George Green and Ben O. Jones, for the Finance Committee, and by W. S. Moye, Secretary-Treasurer, was affixed to the Secretary-Treasurer's records, and is hereby made a part of this report:

The Secretary-Treasurer, Mr. W. S. Moye, reports to the Finance Committee that the Raleigh Banking and Trust Co., of Raleigh, N. C., on which institution the foregoing dividend checks numbered 1 to 300, inclusive, representing the payment of the semiannual dividend of January 1, 1928, amounting to \$31,451.00, were drawn, advises him that the paid dividend checks were mailed to him, but he states that the said checks have never been received by him. For this reason the Finance Committee cannot check and verify the outstanding dividend checks. According to the Secretary-Treasurer's statement there is outstanding and unpaid \$150.50 worth of dividend checks, \$138.25 of which amount represents checks that the Secretary has not mailed (as per list appearing in his records), and \$12.25 represents outstanding checks which he cannot itemize on account of the absence of the paid checks. In addition to the above the following vouchers issued to W. S. Moye (Secretary-Treasurer) for salary, office rents, etc., for the months of January, February and March, 1928, are missing: No. 753 for \$67.40, No. 755 for \$65.00, No. 756 for \$66.55—total, \$198.95. Mr. Moye advises that the said vouchers have been paid and that he has received the said amounts which, together with other vouchers issued to him and paid, constitutes settlement in full for all accounts of whatever nature due him by the Atlantic and North Carolina Railroad Company to July 1, 1928. Voucher No. 755½, issued on April 4, 1928, to Griffin, Taylor, Stith and Henderson for \$32.10 for insurance, is also missing. Mr. Moye states, however, that the said voucher was paid, and the committee is advised by the said Griffin, Taylor, Stith and Henderson by telephone that the account due them by the Atlantic and North Carolina Railroad Company has been paid.

This the 27th day of July, 1928.

GEORGE GREEN,  
BEN O. JONES,  
*For Finance Committee.*  
W. S. MOYE,

*Sec.-Treas. A. & N. C. R. R. Co.*

Your Committee finds, and are pleased to report, that the item of \$124.02 appearing in the expenditures of the previous Secretary for making annual report to the Inter-State Commerce Commission, and other reports, does not appear in the expenses of your present Secretary. These reports were made by the Secretary, so he informs us, as a part of his regular duties and without extra charge, which in the opinion of your Committee is correct and proper.

Respectfully submitted,

GEORGE GREEN,

SPURS AND SIDE TRACKS—During the year 2,092 feet of side tracks were constructed.

There being no further need for Munger & Bennett Spur Track, near S3 Mp., it was removed. Total length of track removed 1,042 feet, resulting in a net increase in side tracks of 1,050 feet.
